## What is Good Soil E&D?

According to Jesus, the “good soil” is a person who hears God’s word and...

- Clearly **understands** it. (Matthew 13:23)
- Sincerely **embraces** it. (Mark 4:20)
- Firmly **holds on to** it. (Luke 8:15)

We provide **evangelism** (the “E”) training and resources to equip Christ-followers to present the gospel in a way that people will clearly understand and sincerely embrace it.

Our **discipleship** (the “D”) training and resources assist disciple makers as they minister to other believers, in teaching them to firmly hold on to the gospel that they have understood and embraced.

- Good Soil is **Chronological** - Focused on God's redemptive story as it unfolds from Genesis through Revelation.
- Good Soil is **Visual** - Illustrated with high quality images.
- Good Soil is **Flexible** - Adaptable for evangelism and discipleship in various worldview cultures in a variety of available-time settings.
- Good Soil is **Biblical** - Based upon a Biblical theology of evangelism and discipleship, developed from the teachings of Jesus and the practices of the apostles and the early Church.

Good Soil E&D is **worldview-relevant** evangelism & discipleship. We provide training and resources to help you share the gospel, as God's story of hope, in a world of competing faiths and cultures.
